Dear Antonela Tommasel

Thank you for your order on 09/10/2024 for a top up 100.00 DKK to your Rejsekort with card number 3084302068259269

### Pay attention

You must transfer the top up to your Rejsekort within 30 days, or it will automatically be cancelled.

You need to use your Rejsekort, or place it in a Rejsekort Vending Machine, for the top up to be transferred to your Rejsekort:

- If you travel by train, the top up is ready for activation earliest 5 hours after the order has been placed
- If you travel by bus, the top up is ready for activation earliest 24 hours after the order has been placed

At Rejsekort Self Service under *Orders for my Rejsekort* you can see when the top up is ready to be transferred to your Rejsekort.

The top up is automatically transferred to your Rejsekort when you travel. It is also transferred, if you do a check in immediately followed by a check out or place your Rejsekort in a Rejsekort Vending Machine.

### Top up agreement

You can make it even easier for yourself by creating a top up agreement that ensures you always have money to travel for on your Rejsekort. You can read more and create a top-up agreement on on Rejsekort Self Service.

### Find the answer at [www.rejsekort.dk](http://www.rejsekort.dk)

On our website, you will find information about everything concerning the use of Rejsekort, Commuter Card and Rejsekort with Commuter Combi. Of course you can also read about prices, discounts, travel regulations, terms and conditions and much more.

### Use our Self Service and skip waiting time

[www.rejsekort.dk](http://www.rejsekort.dk) is also your way in to Self Service, where you among other things can view your journeys, follow your orders and administrate your payment agreements.

You are also always welcome to contact us at 70 11 33 33.

Best regards

Rejsekort Customer Service
